I would like to join the NHS Blood Donor Register as someone who may be contacted and would be prepared to donate blood. I understand that NHS Blood and Transplant (NHSBT) or its agents may contact me by letter, phone, SMS (text message) or email with details of local donation sessions. I understand that NHSBT keeps its records up-to-date by matching donor's details with central NHS records. I understand that NHSBT will not disclose any personal details to third parties without first seeking my consent.
