

We ask all carnival-goers to pay a pound on entry to the Carnival site.

This will go towards covering our costs of nearly £130,000 and help to keep Carnival around for years to come. With a packed programme of entertainment to look forward to, we hope you think it is a small price to pay.

Please support the official Carnival bars, located in the Tesco Car Park, Manzil Gardens and Dingley Dell (proceeds towards Carnival costs)
